## THE HIDDEN ANTHRAX LETTERS SUSPECT

The FBI knows of a man who was caught entering the lab where the Anthrax used in the letters was kept, *after* he had been fired for a racially motivated attack on a co-worker. So, why is the FBI wasting its time with Steven Hatfill and Bruce Ivins?

[News Story identifying Dr. Philip Zack](#) as the man caught entering the Anthrax storage area at Fort Detrick without authorization.

In this story, it is reported that Dr. Zack was caught on a security tape making an unauthorized entry into the Anthrax storage area.

Foreign press picks up story that Anthrax letters were sent by American bio-war scientist ... and that the FBI is dragging its feet on the case.

**FBI'S PRIME SUSPECT ON ANTHRAX LETTERS IS JEWISH!** No wonder they were dragging their feet.

Already the hate email is pouring in insisting that coverage of this story is "anti-Semitic". Clearly, a certain nation is terrified of this story getting wide coverage.

The time has come to face the unpleasant fact the citizens of the United States may well be the victims of the most incredible hoax in history regarding who is really behind the attacks on the World Trade Towers, the mailing of Anthrax letters to political and media leaders, and even to [doubts that Daniel Pearl's killers are actually who we have been told they are](#).

The fact is that evidence presented to the public as to who was behind 9-11 is largely [faked](#) while evidence that links the [Israeli Spy/Phone Tapping Ring](#) to the attacks has been classified by the US Government itself, as reported in Carl Cameron's four part story on the spy ring on Fox News (subsequently erased from the mainstream media's web sites).

"reports that Israel was conducting spying activities in the United States may have a grain of truth Note the of second paragraph from the bottom of this story in which a US official admits that even if the Israelis were running a spy ring in the United States, the information would be kept from the American people.

The time has come to seriously consider that the American people are being tricked into a war. Such things are hardly new. Recently declassified documents prove beyond al doubt that [Pearl Harbor was not only NOT a surprise](#), but was the desired result of an 8 step ONI plan written by Arthur H. McCollum and implemented by Franklin Delano Roosevelt, in order to trick the people of the United States into a war against Hitler, via the back door of Japan. And according to Victor Ostrovsky, a former Mossad agent, the bombing of Libya during the Reagan administration was the result of a trick played by the Mossad in which a radio transmitter was smuggled into Tripoli and used to create fake radio messages for the US to intercept. The motto of the Mossad is, "By way of deception, thou shalt do war".

The Israeli government has a history of tricking the United States into attacking their enemies for them. A classic example is the Lavon Affair.

### THE LAVON AFFAIR

In 1954, Israeli agents working in Egypt planted bombs in several buildings, including a United States diplomatic facility, and left evidence behind implicating Arabs as the culprits. The ruse would have worked, had not one of the bombs detonated prematurely, allowing the Egyptians to capture and identify one of the bombers, which in turn led to the round up of an Israeli spy ring. Some of the spies were from Israel, while others were recruited fro the local Jewish population. Israel responded to the scandal with claims in the media that there was no spy ring, that it was all a hoax perpetrated by "anti-Semites". But as the public trial progressed, it was evidence that Israel had indeed been behind the bombing. Eventually, Israeli's Defense Minister Pinhas Lavon was brought down by the scandal, although it appears that he was himself the victim of a frame-up by the real authors of the bombing project, code named "Operation Susannah."

So now we have the present situation. Ruined buildings, dead people, Anthrax in the mail. There is a constant hue and cry to try to blame Arab Muslims by the Israeli government, which seeks to enlarge its territory (Israel has invaded every single nation it shares a border with since its creation) and by the US government, which seeks to grab control of what remains of the world's oil reserves. Either through this mutually reinforcing agenda, of perhaps because of [blackmail of our officials by Israel](#), the US has become Israel's partner in this hoax, which leads us to the reason for the US to classify evidence that links Israel's arrested spies with the events of 9-11.

"Evidence linking these Israelis to 9/11 is classified. I cannot tell you about evidence that has been gathered. It's classified information."

-- US official quoted in Carl Cameron's Fox News report on the [Israeli spy ring](#).

History teaches us that since the dawn of the industrial age, all wars have been started with deceptions and manufactured provocations. Hitler staged a fake attack from Poland to start WW2. FDR maneuvered Japan into attacking the fleet at Pearl Harbor then presented the attack as a total surprise to the American people.

Evidence that 9-11 is another such deception mounts every day. Almost a year ago, in March 2001, long before the attacks on the World Trade Towers, while the American people were being distracted by "All Condit, All The Time", the [United States Government was already informing other nations of plans to invade Afghanistan](#) in October, 2001. And, in October 2001, the United States did in fact invade Afghanistan, right on schedule, which means that the attacks on the World Trade Towers occurred at just the exact moment when the United States needed a population angry enough to support a war.

Have we been hoaxed? Would someone really sacrifice some buildings (as FDR sacrificed some ships) to start a war? Against the \$5 trillion worth of oil under the Caspian Sea, the price of a new World Trade Center in New York is just pocket change, a cheap price to pay indeed for control of such vast oil reserves, and an even better deal if the oil under Iraq can be added to the prize package, especially for a government too deeply in debt to get out without massive conquests of someone else's resources.

The fact that the Anthrax Letters were NOT sent by an Arab Muslim but by a Jewish gentleman with the intent to FRAME an Arab Muslim strongly suggests that the entire sequence of recent events has been one gigantic frame-up, which would explain again why the US Government is itself classifying evidence that links some of the arrested Israeli spies with the events of 9-11.

History may be repeating itself again. We cannot afford to dismiss the possibility that, once again, Americans are the victims of a hoax designed to trick them into sacrificing their wealth and the lives of their children in a war of someone else's making; a war of the worst kind, war for profit and empire.

One more lesson from history needs to be repeated. Since the dawn of the industrial age, the overwhelming majority of wars have been LOST by the side that initiated them.

Just one more reason for caution.

"By way of deception, thou shalt do war" -- Motto of Israel's Mossad

## A pathetic attempt to shift the focus on the Anthrax letters

As most readers are already aware, the Anthrax contained in the letters sent to Congress was determined to be from a US military laboratory. This raised the question in the public's mind as to who, inside a US facility, would be playing games with Anthrax. Suspicion focused on Dr. Ayaad Assaad, an Egyptian scientist working at Fort Detrick, based on an anonymous letter. Because Dr. Assaad's race fit in perfectly with the agenda of sparking a war into Arab lands rich in oil, the media ballyhooed that the FBI was closing in on the "Arab Anthrax Terrorist".

Ah, but the best laid plans gang aft aglay, and the FBI discovered that the end of the hunt for the sender of the Anthrax letters was NOT Dr. Assaad the Egyptian, but Dr. Zack, who is Jewish. At this point, both the FBI and the mainstream media stopped making any public comments on the case.

The above BBC article is clearly another step in the plan to try to shift the suspicion for the Anthrax letters further away from the Dr. Zack, to spare Israel further embarrassment in what appears to be a modern day revival of the [Lavon Affair](#). However, the claim that the Anthrax letters were simply an experiment in mail delivery that went awry is discredited by recalling that the envelopes and their contents were written in a way to cast suspicion for the letters in a specific direction, at Arabs! This clear evidence of a deliberate frame up proves that not only was this not simply a test procedure, but that the Anthrax in the letters was intended to kill people, while the letters themselves pointed the finger of blame.

It would appear that even the BBC is not above spreading a little bit of propaganda.

[Proof of a deliberate frame-up is before your eyes](#) - someone INTENDED for Arabs to take the blame.
